

spacemakers™

Innovative, multi-purpose room dividers and floor seating.

furnware®

spacemakers™

Create separate purposeful spaces in your learning frontier with these one-of-a-kind room dividers and floor cushions.

Fun, modern and practical, our designer Spacemakers come in a great range of organic shapes and contemporary fabrics. Arrange pockets of them in your large open learning space to divide up activities and groups of learners. With Spacemakers' acoustic properties, students can also create quiet independent learning nooks away from the hustle and bustle of the classroom.

Spacemakers can be rearranged in their stands or remove them and create relaxed floor seating in an instant.

features.

- high quality firm foam with noise dampening properties
- multipurpose; from upright divider to floor cushion
- can be used as pin board display
- easy for students to move and create their own spaces
- available in four organic shapes
