Align Front-of-Class Units

A smart, all-in-one teaching solution that supports structured delivery and flexible classroom layouts. With generous storage, integrated display, and a clean, low-profile design, it fits seamlessly into modern learning environments. Ideal for new builds and refurbishments.

Features

- Lockable storage concealed behind sliding magnetic whiteboards
- Combines storage, display, and teaching tools in one unit
- Three adjustable shelves for flexible internal storage
- Choice of lower storage: tote tray bays or cupboards
- Works as a stand-alone unit or integrates with other modules

Options

- Lockable lower cupboards (keyed alike)
- Tote tray bays or cupboards at either end
- Available in three standard sizes:
    1. 2400w x 515d x 1900h (base unit: 730h)
    2. 3600w x 515d x 1900h (base unit: 730h)
    3. 3600w x 515d x 2070h (base unit: 900h)
- Size 3 offers the option to remove internal shelves on the left, allowing space for a digital screen behind the sliding door.
- Additional drawers and custom sizes available to suit your space. Speak to your local account manager for more information.
