Textiles

Mad about colour? We are too! These textiles add warmth to any space, creating an inviting area where students want to learn. Our luxurious fabrics offer premium performance and our colours have been carefully selected to complement all other materials in the Furnware range. Our holistic and considered approach to colour allows you to effortlessly combine elements from our range to create your very own learning environment colour palette. We can bring your classroom design ideas to life in colours that you'll love with our 3D learning spaces App.
