

connect table

Shape the space to inspire learning.

furnware®

connect table

Transform from collaborative group activities through to smaller group or paired learning easily.

There are so many opportunities with the Connect Table thanks to its clever geometry. Join three or four together for group work or pull apart for front of class teaching. Equally, combine them with our popular Rectangular Tables for larger boardroom settings.

features.

- Eco Choice Aotearoa certified
- configurable with Rectangle Tables 800mm deep
- rounded corners for safety
- surface space for two users per table
- options:
 - add castors for manoeuvrability
