Nominal Expiry\*  
**30 October 2027**

Product name:	<b>Bodyfurn Flex Sled Chair</b>	
Company:	<b>Resero NZ Limited</b>	
Product type:	<b>Fixed height reverse-cantilever chair</b>	
Seats:	<b>1 person</b>	
Certified for:	<b>General safety</b>	✓
	<b>Strength and durability</b>	✓
	<b>Stability</b>	✓
	<b>Dimensions</b>	✓ <sup>1</sup>
	✓ <b>Compliant</b>	★ <b>Minor variations</b>
		x <b>Non-compliant</b>

AFRDI Blue Tick certification criteria are based on **AS/NZS 4610.2:2020 Furniture—School and Educational, Part 2: Chairs—Strength, durability and stability**, but may include additional requirements and variations as deemed appropriate by Furntech-AFRDI.

Products will be certified at minimum for general safety, strength and durability, and stability. Those certified with minor variations have a limited number of dimensions a small amount outside those specified in the standard. Dimensionally non-compliant products should be evaluated in relation to their intended application.

Testing and evaluation was conducted on the specified chair/s, or selected samples from the range, such that in the opinion of Furntech-AFRDI all items (as tabulated below) should perform satisfactorily in relation to the certification criteria. Certification is limited to the products, features and options depicted and listed on this certificate.

The supplier having agreed to maintain the compliance of the product and to submit to retesting and auditing as appropriate, the Australasian Furnishing Research and Development Institute hereby certifies the product (as specified) under the AFRDI Blue Tick Product Certification Program.

<sup>1</sup> Products within the range may have Minor Dimensional Variations and/or Dimensional Non-compliances. These do not affect the General Safety, Strength and Durability or Stability of the products. Refer to 'Product Range Details' table below and corresponding Dimensional Report.
