

progress chair

Lightweight, stackable, linkable and seriously comfortable.

furnware

progress chair

Progress Chairs are a no brainer when it comes to functions, student gatherings and events.

The Progress Chair provides a generous seat size for maximum support. A built in backrest hinge responds to the individual, assuring maximum comfort and lumbar support.

features.

- Superior pressure support curves IPR (Ischial-Pressure-Release system) encourages students to sit in the right place for the best posture.
- Versatile injection moulded high impact polypropylene seat.
- Anti-static, stain-resistant and UV protective.
- Engineered to withstand the rigours of constant commercial use.
- Superior level of comfort in both its ample width and its live hinge moulded into the backrest which responds to the individual, assuring maximum comfort with good lumbar support.
- Aluminium legs make it extremely lightweight.
- Stacks up to 12 high for easy storage, and are manoeuvred easily with the Progress Trolley.
- 10-year warranty

size.

mm

- seat height 460
- overall height 845
- width 490
