OUR COMMITMENT TO QUALITY

At Furnware, we proudly design and manufacture high-quality furniture built to last. Each product is expertly crafted, carefully assembled, and thoroughly inspected to meet our highest standards. We take full responsibility for ensuring your furniture arrives in excellent condition and performs as expected.

Our warranty is more than a piece of paper - it's our commitment to quality and long-term support.

While issues are rare, if something does go wrong, we'll work with you to resolve it promptly and ensure your satisfaction.

WARRANTY COVERAGE

Furnware products are supported by local consumer protection laws, where they apply. This Warranty is in addition to any rights and remedies you may have under those laws, which cannot be excluded.

For customers in Australia

In addition to our warranty, our products are covered by guarantees under the Australian Consumer Law. Our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure, and compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if they fail to be of acceptable quality and the failure does not amount to a major failure.

For customers in New Zealand

Our products are mainly supplied to schools and organisations, so the Consumer Guarantees Act 1993 will not normally apply. If a product is purchased for personal or household use, the protections under the Consumer Guarantees Act 1993 may apply.

For customers outside Australia and New Zealand

Local consumer laws may apply.
